Many people avoid going to the dentist because they experienced traumatic care as a child, suffered painful procedures as an adult, or are influenced by the stereotypes they see on TV and movies. Even when they experience warning signs like pain in the mouth, many people avoid seeking treatment because of the fear they experience. At our office we understand these feelings and want to help.

Claude Monet's signature on his 1904 Nymphaes painting. Bruno Vincent / Getty Images . This example of how Monet signed his paintings is from one of his water lily paintings. You can see he's signed it with a name and surname (Claude Monet) and the year (1904). It's in the bottom right-hand corner, far in enough so it would not be cut off by the frame. Monet's full name was Claude Oscar ...
