What follows is a complete Fallout timeline of all events from every game. The Fallout world is not our own, but rather one that has diverged from ours soon after World War II. So, while it takes place in the future, it is not our future, but a future as imagined in traditional 1950s-style science fiction. The timeline is only for the chronological sequence of all events in the Fallout world ...

Total price: 1 410,00 ... Was previously worry-free about installing freeware from the internet. But recently I installed some 6-7 freeware software, and my computer was affected by malware, after which I uninstalled the freeware. My PC was running quite slow and lagging and hanging up after about an hour of the boot. Was a bit concerned, so I did the full boot-time scan, but the program was ...
