Steal Like an Artist gave me the push I needed to get into a more creative mindset. Although the book, and its message, may seem simple, it is clear that Austin Kleon has dedicated his life to creativity and using that to produce creative work (poetry, writing, drawing). If you feel stuck in a rut (as I did), this book is for you. The main quote that spoke to me was: "If we're free from the ...

The best cottage gardens look like they planted themselves. They didn't, of course. But the design principles they follow are simple. The English invented the cottage garden, probably in the 1400s when even the humblest plots of land were pressed into service to produce food for families. Every inch of earth counted—with herbs, fruit trees, and flowers (which attracted bees to pollinate ...
